## We're in the people business

We've been connecting organisations in marketing, PR, data and insight, tech, digital and creative for over a decade.

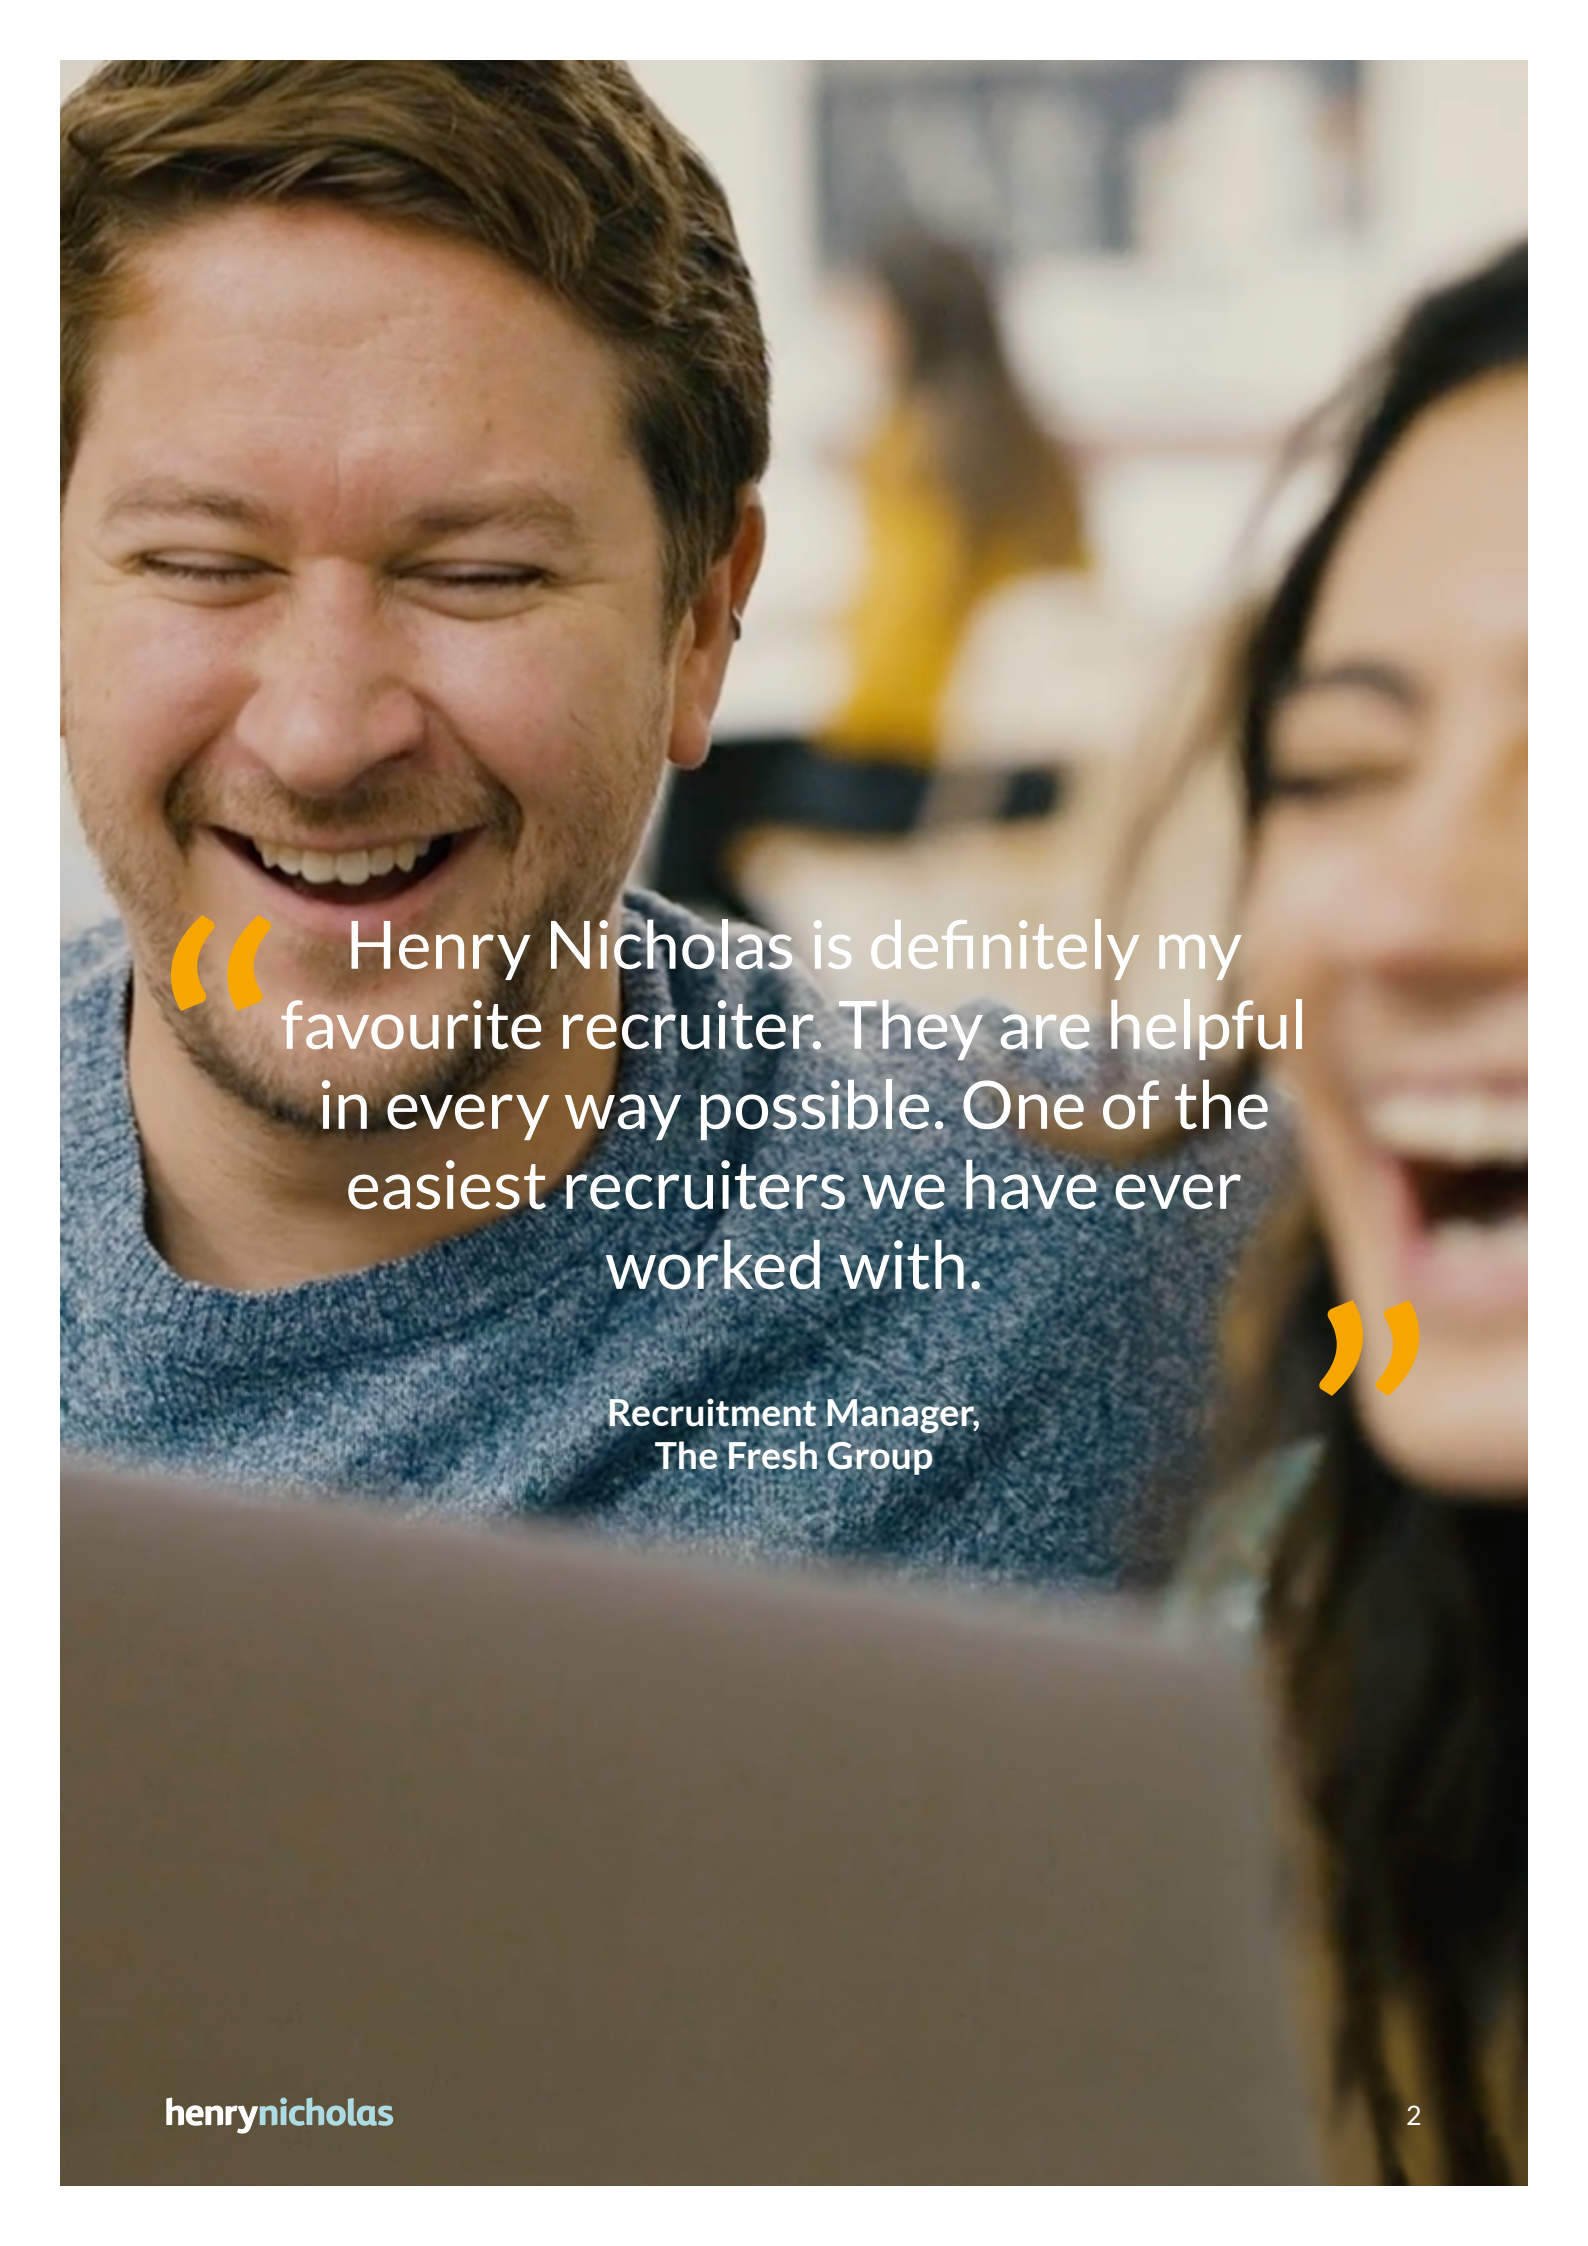

Our team of recruitment professionals understand that finding the right person to join your team is a key part of your success story.

Discovering great candidates is what we do, we know that finding the right person fast can be crucial for your business. That's why we are committed to shortlisting high-quality candidates quickly, to tackle your toughest hiring challenges.

## Putting talent at the heart of your business.

If you're looking for  
honest, knowledgeable,  
and friendly talent  
professionals, you're in  
the right place.

A man with short brown hair and a beard, wearing a blue sweater, is smiling broadly with his eyes closed. To his right, a woman with dark hair is also smiling, her face partially visible. The background is blurred, showing other people in an office environment.

“ Henry Nicholas is definitely my favourite recruiter. They are helpful in every way possible. One of the easiest recruiters we have ever worked with.

”  
Recruitment Manager,  
The Fresh Group

# Why Henry Nicholas?

## Team Players

Our people are what makes us so special and you become part of our team when you choose Henry Nicholas. Our collaborative approach helps us to get to know who you are and find the right people for your business.

## Results Focused

We fill 90% of the roles we search for, working smartly and efficiently to find the best candidates around and reduce your time to hire, allowing you to concentrate on what you do best.

## Support at Every Step

We take a proactive approach to every stage of the process. From searching CV databases and targeted job-board advertising to harnessing the power of social media. This helps us to find your people faster, building a shortlist quickly.

## Specialists

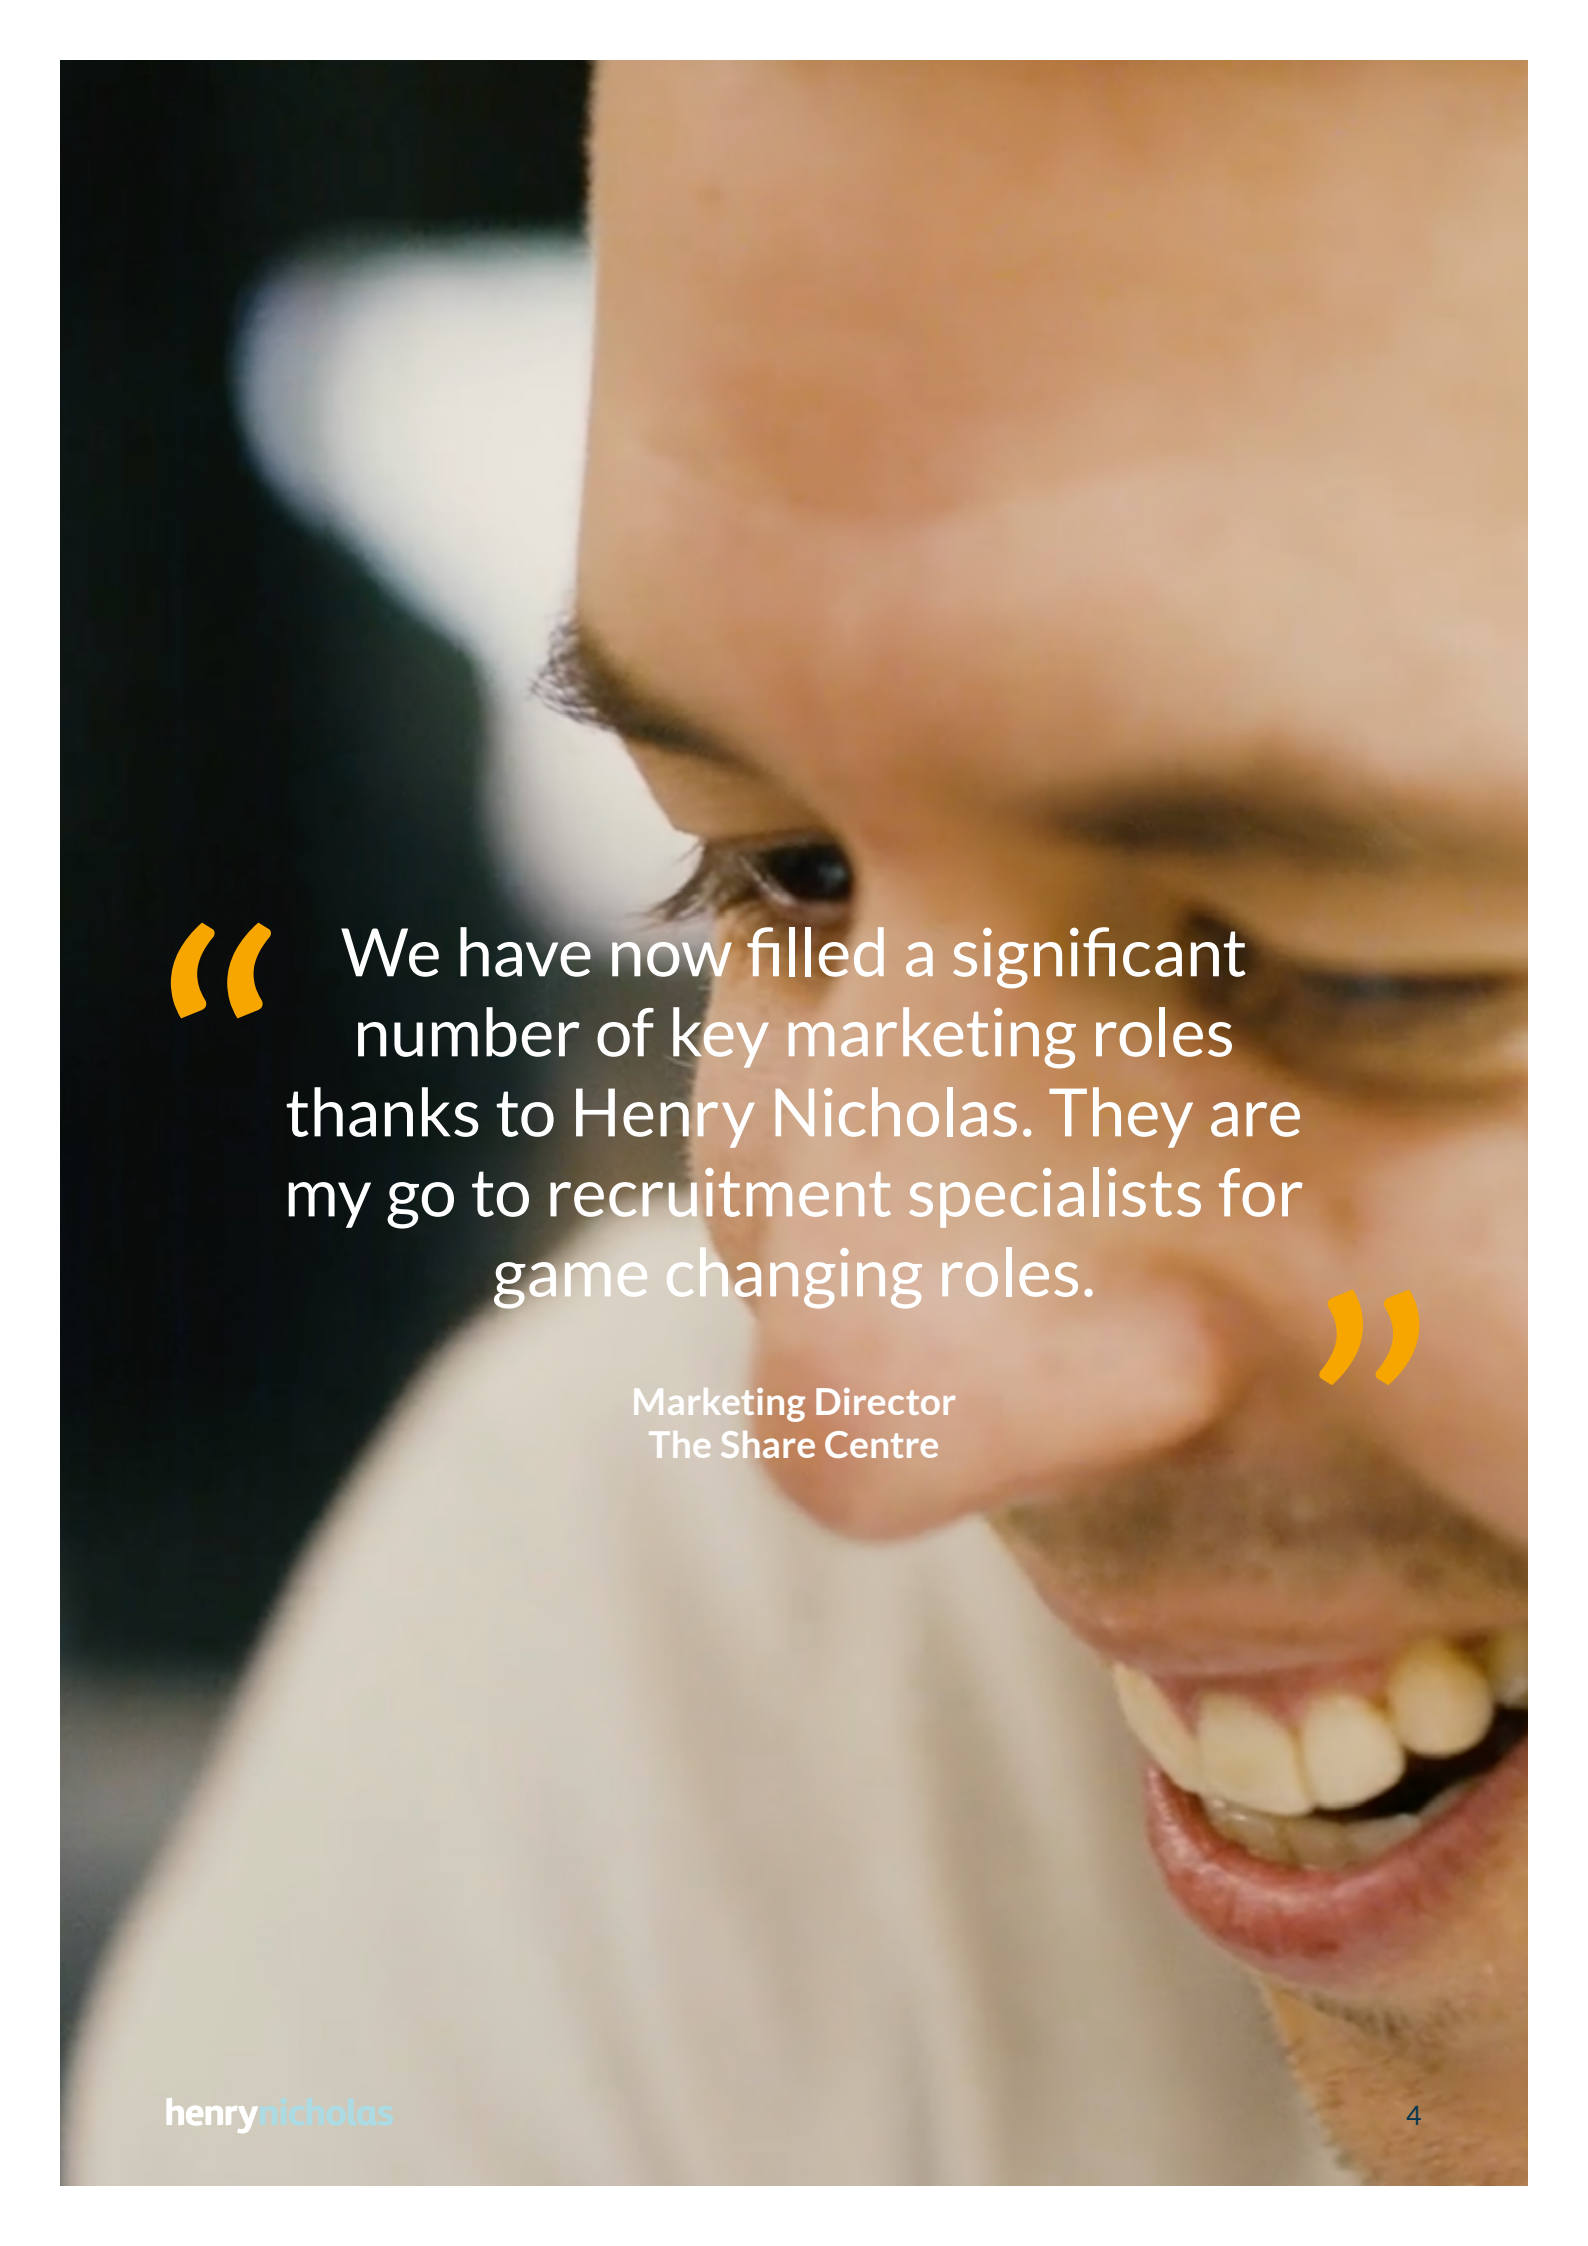

With a deep understanding of the talent and skills you are looking for, we save you time by only presenting a shortlist of the best candidates available, reducing your time to hire.

## No Sales Stereotypes

Our team are here to support you. There is no hard sell, simply honest, enthusiastic advice and professional guidance to help you find the people you need.

## Long-Term Partners

We build lasting relationships with our clients. Working to understand your culture and goals to connect you with people who are a true fit for your organisation. You will have a dedicated point of contact so you will always speak to someone who knows your business.

“ We have now filled a significant number of key marketing roles thanks to Henry Nicholas. They are my go to recruitment specialists for game changing roles. ”

Marketing Director  
The Share Centre

# Specialisms

We are specialists at discovering marketing, PR, data and insight, tech, digital and creative talent across the UK. This means we hone in on the details that generalist recruiters often overlook.

The Market never stands still, and neither do we. Our talent approach evolves with your business. By listening carefully to your changing needs and immersing ourselves in your market, we are always at the cutting edge of talent, taking the most complex hiring challenges in our stride.

Our team are connected to specialist talent across the UK. So, whether you need an Art Director in Brighton or a CRM Strategist in Newcastle, we can help.
